Objective:

Seeking a job where I can continue accumulating technical knowledge while enhancing my development skills

Education September 2008 – May 2012

Bachelor of Science, Management Information Systems (MIS)

Rowan University, Glassboro, NJ

Major GPA 3.63

Dean's List

2011 Calabrese Family Scholarship Recipient

Relevant Computer Skills:

C#.NET, VB.NET, ASP.NET, HTML, CSS, AJAX, JSON, JavaScript, jQuery, XML, Visual Studios, .NET 2.0 – 4.5, REST Web Services, Web API, WCF, Active Directory, N-Tier Architecture, Entity Framework, IIS, SSIS, SSRS, Silverlight, TFS, CSLA, Crystal Reports, SQL, RFID

Professional Experience:

Application Developer June 2012 – Current

Hess Corporation, New York, NY

- Worked as the Lead Developer on a project tasked to maintain, report on, and transparentize Hess' Green House Gas Emissions
- Integrated an SSIS package with multiple instance of SAP used to extract and report legal data on a daily basis
- Redesigned and reworked a crucial, but ineffective and rigid SSIS process into a flexible data manipulating C# process
- Provide technical support and custom reports for several internally created and internally hosted third party applications for Corporate departments including Treasury, Legal, Compliance, and Environmental Health & Safety
- Continue to evolve various internal application demonstrating effective use of the SDLC
- Efficiently develop and/or modify reports for various applications using both SSRS and Crystal Reports
- Work in a professional environment with high exposure to upper level management and executives
- Manage and upkeep TFS Projects, web servers, databases, and documentation for multiple environments of various internal applications

HVAC Apprentice May – August (Summer) 2008 – 2011

AJ Celiano Inc., Cranford, NJ

- Developed a web application using the LAMP Architecture in which management could quickly reference and maintain simple, ever-changing data (Truck # assignments, phone numbers, EZ Pass #'s, etc.).
- Implemented and maintained a tool inventory database with Excel
- Helped analyze and interpret database queries

Recent Personal Accomplishments:

- Participated on the Hess Basketball Team - Winter 2012
- Participated on the Hess Softball Team - Summer 2012 & 2013
- Participated in the JP Morgan and Chase Corporate Challenge in Central Park, Manhattan
 - Finished 1,106 out of 15,000+ participants (Ran under Brian Knox)
- Acclimated myself to a fast paced, unfamiliar, and unforgiving city environment
